№ NR-21 from 21 May, 2021

Dear Colleagues,

We invite you and your company to take part in 18th Steel Summit held by Eurasian Metals Magazine. The motto is «Russian Steel: growth strategy».

This annual event is supported by Russian Steel Association and gathers top-managers and specialists representing all Association members: EVRAZ, IMH, Mechel, Metalloinvest, MMK, NLMK, OMK, Severstal, TMK. It provides best opportunities for getting actual information, business contacts and friendly networking as well.

Since year 2019 on the recommendation of the Russian Steel Association the event takes place in regions, at sites of steel production running by Russian steel companies. Thus participants, in addition to discussing the declared themes, can get familiar with production, enhanced technologies, new innovative products and environmental and other solutions for sustainable development.

We shall be glad to see you at our event and ask you to apply on the issues of registration.

Venue: May 27-28, 2021

Volzhsky city (Volgograd region, Russia), Volzhsky pipe plant (TMK company).

The draft programme and registration form are attached.
